Placeholders in brackets are facts only the client can supply. The packet cannot be downloaded until every one is filled.

Technical Narrative

SAMPLE: synthetic technical narrative.

Approach

Sample Clean Services will staff the three buildings with a night crew and one day porter per building, supervised by a named site lead who is the agency's single point of contact.

Staffing plan

- Night crew: [Crew size] cleaners, Monday to Friday
- Day porter: one per building, 7:00 a.m. to 3:30 p.m.
- Site lead: [Site lead name], reachable by phone during all shifts

Quality control

- Weekly walk-through inspection with a written checklist
- Deficiencies corrected within one business day
- Monthly summary report to the agency's facilities contact

Transition

- Week 1: site walk-throughs, keys and access badges
- Week 2: full service begins, daily check-ins with the agency
